

# EMPOWERING ARTS EDUCATION

Oakwood Fine Arts Boosters (FAB) is a volunteer organization with a mission to support performing and visual arts education in Oakwood schools. We raise money to fund arts teacher grants which directly enhance programming for students. Recently, FAB has provided funds for a student art display at Lange, instruments for Harman music classes, a large format color printer for OHS, marching band drum line equipment, choir robes, cellos, and a stage combat workshop. For a complete list of our grant history, visit the FAB website at: [oakwoodschoools.org](http://oakwoodschoools.org)
